## Wireless[1] Printing Made Easy from Your Tablet, Wireless Camera, Computer or the Cloud.

## KEY BENEFITS

PIXMA Cloud Link[2]

Google Cloud Print Ready[2]

AirPrint

### Mobile Device & Cloud Printing

The MX522 has a variety of connectivity options for easy printing of documents and images from the cloud.[2] Print directly from compatible Apple devices via Wi-Fi with AirPrint.[1]

Dual Function Panel

### Stress-free Operation

Show how the control panel keys change when moving from Copy to Fax mode, and how only the necessary buttons appear for each.

## Why Choose the MX522 Over…

### Officejet 6700

Easy-WebPrint EX

Easily collect, edit and combine multiple web pages while eliminating unwanted information using Easy-WebPrint EX.[3]

Auto Scan Mode

Easily scan and save documents and photos with Auto Scan Mode.[4]

Full HD Movie Print

Capture frames from movies taken with Canon EOS or PowerShot cameras using simple software, included in the box.[5]

### EPSON® WorkForce 4520

ADF

Easily copy or scan large originals without covering up the control panel using the Fully-Integrated ADF.

ChromaLife100

Preserve memories for generations using Genuine Canon ink and photo paper.

Full HD Movie Print

Capture frames from movies taken with Canon EOS or PowerShot cameras using simple software, included in the box.[5]

Canon

## More Benefits

My Image Garden

- Print & organize photos using My Image Garden software with facial recognition, Fun Filters, Calendar Organization, Automatic Layout Suggestions and so much more.[6]

ADF

- Easily copy or scan large originals without covering up the control panel using the Fully-Integrated Auto Document Feeder (ADF).

## Demo Tips

### Got Power?

Show how easy it is to operate the MX522 with the Dual Function Panel. For example, show how the control panel keys change when moving from Copy to Fax mode, and how only the necessary buttons appear for each.

### No Power? No Problem!

Show your customer how easy it is to work with the Fully-Integrated 30-sheet Auto Document Feeder (ADF). The control panel is built into the lid for easy access, even when copying from a large source, such as a store circular.

1 Wireless printing requires a working network with wireless 602.11 b/g or n capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients. Printer firmware update is necessary for AirPrint function. Certain exceptions may apply. AirPrint functionality requires an iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 4.2 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base Station, or Time Capsule is not supported.
2 Requires an Internet connection. Requires an Internet connection. Google Cloud Print Function available April, 2012 or later. Printer firmware update may be necessary for Google Cloud Print function. Certain exceptions may apply. A PC running Windows XP or later or A Mac running OS 10.4.11 or later and USB cable required to perform firmware update.
3 Easy-WebPrint EX requires Internet Explorer 7 or 8 for Windows, Internet Explorer 9 for Windows Vista SP2 (or later) or Windows 7, or Safari 4.0 – 5.0 for Mac OS X v10.5 – 10.6.x.
4 For network users, Auto Scan Mode is available only when scanning at a computer using MP Navigator EX software and selecting the 1-click feature then “Save to PC”.
5 “Full HD Movie Print” is available from ‘MOV’ movie files created by Canon EOS Digital SLR or PowerShot digital cameras. From PC, or Mac with Intel® processor. Print quality is determined by video resolution. Function does not upscale video resolution. Requires Canon ZoomBrowser EX 6.5 or later, or Canon ImageBrowser 6.5 or later. System requirements vary by application.
6 To install using Windows® OS, .NET Framework 4 is required. Compatible still image formats are PDF (created using Canon PDF Creator only), JPEG (Exif), TIFF, and PNG. Compatible video formats are MOV (from select Canon digital cameras only) and MP4 (from select Canon digital camcorders only).
7 Resolution may vary based on printer driver setting. Color ink droplets can be placed with a horizontal pitch of 1/4800 inch at minimum.
8 “ISO/IEC 24734, 24735 define the default print and copy speed measurement methods. Print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734, excluding time to print the first set. Copy speed is the average of FCOT, ISO/IEC 24735 Annex D. ADF copy speed is the average of ESAT in General Performance Test for the default simplex mode, ISO/IEC 24735, excluding time to copy the first set. See our www.usa.canon.com/ipm for additional details.”
9 Requires Canon Easy-PhotoPrint for iPhone app, available for free on the App Store, Canon Easy-PhotoPrint for Android app available for free on Google Play, or Canon Easy-PhotoPrint for Windows RT available for free in the Windows Store. Compatible with iPhone 3G, 3GS, 4, 4S, 5, iPad, iPad mini, iPod touch, Android devices running Android OS 1.6 or later, and Windows RT devices.
10 Requires mobile phone (or other device) equipped with Bluetooth v2.0 technology and optional Canon Bluetooth Unit BU-30. Bluetooth operation depends on the device and software version used. Operating distance is approx. 10 meters but may vary due to obstacles, radio signals, locations where radio interference occurs, magnetic fields from microwave ovens, device sensitivity and/or antenna performance.
